41 benefits within ten (10) days of the termination, the employee may request an expedited hearing on

The entry of appearance for the employer/insurance carrier shall identify whether or not the employer is an active member of a certified workplace medical plan in which the claimant is potentially enrolled, and if so, the name of the plan.

(c) Leave to withdraw.

(1) Once an entry of appearance has been filed, Leave to Withdraw can only be had upon written order of the Commission following appropriate notice to the client and the opposing side. Substitution of Counsel may be had by filing with the Commission and serving on the opposing party a notification of the substitution, signed by the attorney of record, the substituted attorney and the client. Notification of the substitution when filed shall be

1 accompanied by a written authorization signed by the client and substituted attorney
 2 identifying the attorney as the client's representative to provide services in the workers'
 3 compensation matter, including the presentation of evidence as provided in 85A O.S.,
 4 §71(C)(1)(a).

5 (2) Except when an attorney's representation has been terminated at the client's
 6 initiative, no attorney shall be allowed to withdraw as an attorney for a party when that
 7 attorney has signed the pleadings necessary to perfect an appeal to the Commission en banc.
 8 This prohibition shall apply until the appeal has been fully submitted to the Commission en
 9 banc for consideration. This prohibition shall not apply if another attorney has entered an
 10 appearance for the appealing party before the filing of the application to withdraw.

11 (d) **Attorney of record.**

12 (1) The attorney of record for the claimant in a case shall be the attorney signing the first
 13 claim for compensation filed in the case for the claimant as provided in 810:2-5-2. Any other
 14 attorney who files an entry of appearance on behalf of any party in the case or who is
 15 identified as a substitute attorney pursuant to a notice of substitution of attorney shall also
 16 be considered an attorney of record. The Commission shall send notices to all attorneys of
 17 record until a substitution of attorney has been filed or an Application for Leave to Withdraw
 18 has been filed and granted by the Commission. Various attorneys may appear before the
 19 Commission in a matter, but notice shall be sent only to those attorneys who are an "attorney
 20 of record" as defined in this Subsection.

21 (2) Attorneys of record who change law firms shall notify the Commission of the status
 22 of the representation of their clients, and shall immediately seek Leave to Withdraw, when
 23 appropriate.

24 **810:2-1-11. Designation of agent for service of notice**

25 (a) Each insurance carrier, as defined in 810:2-1-3, shall designate a single agent for service of
 26 notice by filing a Designation of Service Agent form with the Commission. A copy of the form may
 27 be obtained from the Commission at its main offices, or from the Commission's website.

28 (b) Once a claim for compensation is filed as provided in 810:2-5-2, if the employer is self-
 29 insured or insured by an insurance carrier, the Commission shall send all notices and correspondence
 30 to the designated agent, until an entry of appearance is filed as provided in 810:2-1-10. If no agent
 31 for service of notice is designated on a Designation of Service Agent form, notices and
 32 correspondence shall be sent to the:

33 (1) signatory on the self-insurance application, if the insurer is an individual own risk
 34 employer;

39 (4) President and Chief Executive Officer of CompSource Oklahoma, if the insurer is
 40 CompSource Oklahoma; or

41 (5) service agent on file with the Oklahoma Secretary of State, if the insurer is a domestic
 42 insurance carrier.

43 (c) If the employer is uninsured or the Commission cannot determine insurance coverage, notice
 44 and correspondence shall be sent by certified mail to the employer at the address supplied by the

1 claimant on the claim for compensation form prescribed in 810:2-5-2. If the notice is returned to the
2 Commission because the claimant has supplied the wrong address for the employer, the Commission
3 shall so inform the claimant. The claimant has the obligation of providing the Commission with the
4 proper address so notices and correspondence can be sent to the employer.

5 **810:2-1-12. Prohibited communications**

6 (a) Ex parte communications by an administrative law judge of the Commission with any party,
7 witness or medical provider are proscribed in 85A O.S., §105, and may subject the administrative
8 law judge to disqualification from the action or matter upon presentation of an application for
9 disqualification.

10 (b) Parties, attorneys, mediators, case managers, vocational rehabilitation evaluators, witnesses
11 and medical providers shall have no ex parte communications with the assigned administrative law
12 judge regarding the merits of a specific matter pending before the judge.

13 (c) Direct or indirect ex parte communications by a party or their attorney, agent, employees, or
14 anyone else acting on their behalf, with a Commission appointed professional regarding specific
15 cases or claimants are prohibited except as authorized in Paragraph (2) of this Subsection.

16 (1) For purposes of this Subsection, “Commission appointed professionals” means
17 independent medical examiners, vocational rehabilitation counselors, case managers, and
18 others who have been appointed by the Commission to provide services or treatment to the
19 claimant. The term also includes the office staff of the professional and any physician who
20 accepts a referral from a Commission appointed professional for treatment or evaluation of

37 administrative law judge, result in the imposition of costs, a citation for contempt, or
38 sanctions against the offending party.

39 (4) Instances of prohibited communications with a Commission appointed professional
40 shall be communicated by the Commission appointed professional to the assigned
41 administrative law judge and all parties or counsel, in writing.

810:2-1-13. Time computation

(a) **Generally.** The time within which an act is to be done, as provided in the AWCA or this Title, shall be computed by excluding the first day and including the last day. If the last day is a legal holiday, it shall be excluded, and performance of that act shall be required on the next regular business day. Time limits related to filing dates shall be computed as provided in this Section from the date of filing as reflected by the date of the file stamp on the document.

(b) **Time period of less than eleven days.** When the period of time prescribed or allowed is less than eleven (11) days, intermediate legal holidays and any other day when the office of the Clerk of the Commission does not remain open for public business until the regularly scheduled closing time, shall be excluded from the computation.

810:2-3-2. Policy

The Oklahoma Workers' Compensation Commission is committed to the use of alternative dispute resolution procedures in workers' compensation claims, and all parties to workers' compensation claims are encouraged to voluntarily consider mediation as an alternative to traditional trials for the resolution of their disputes. Such informal procedures can achieve the just, efficient and economical resolution of controversies while preserving the right to a full administrative hearing on demand.

810:2-3-3. Counselor program

(a) The Commission shall maintain a workers' compensation counselor program to assist injured employees, employers and persons claiming death benefits under the AWCA. The program shall be administered by the Counselor Division of the Commission.

- 14 and claims representatives handling Oklahoma workers' compensation claims.

15 **810:2-3-4. Mediation process, generally**

16 All workers' compensation issues may be mediated except for disputes related to medical

17 care under a certified workplace medical plan or claims against the Multiple Injury Trust Fund.

18 Mediation shall be voluntary, informal, nonbinding (unless the parties enter into a settlement

19 agreement) and strictly confidential. If an agreement is not reached, the results and statements made

20 during the mediation are not admissible in any following proceeding except as provided in 810:2-3-

21 10. Mediation may be by mutual agreement of the parties to a workers' compensation dispute or

22 pursuant to a referral order by the assigned administrative law judge as provided in 85A O.S.,

23 §110(E) following the filing of a request for administrative hearing and assent of the parties to

24 mediate. Parties may waive mediation and proceed directly to an administrative hearing. General

25 information about mediation in workers' compensation may be obtained from the Commission's

26 Counselor Division.

27 **810:2-3-5. Preliminary conferences**

- 28 (a) Pursuant to 85A O.S., §70, the Counselor Division is directed to:

- 31 (2) facilitate informal dispute resolution and settlement of workers' compensation claims
- 32 and issues through preliminary conferences, called Mediation Conferences.
- 33 (b) Division counselors are authorized to advise unrepresented claimants and to approve Joint
- 34 Petition Settlements which may result from a preliminary conference; provided, the same counselor

- 36 (c) A Mediation Conference as provided in this Section may be conducted by agreement of the
- 37 parties to a workers' compensation dispute or pursuant to a referral order by the assigned
- 38 administrative law judge following the filing of a request for hearing and assent of the parties to
- 39 mediate as provided in 85A O.S., §110. All workers' compensation issues may be mediated except
- 40 for disputes related to medical care under a certified workplace medical plan or claims against the
- 41 Multiple Injury Trust Fund.
- 42 (d) A Mediation Conference set and conducted as provided in this Section shall be voluntary,
- 43 informal, nonbinding and strictly confidential. The mediator is authorized to compel attendance at

1 the conference, but is not authorized to compel settlement. Attendance by the parties, and/or a
 2 representative of each party having full authority to settle all issues, is required. Failure to attend a
 3 Mediation Conference pursuant to this Section without good cause is subject to sanctions for
 4 contempt as provided in 85A O.S., §73(B).

5 (e) The Mediation Conference shall be held in the county where the accident occurred, if the
 6 accident occurred in Oklahoma, unless otherwise agreed to by the parties, or as otherwise directed
 7 by the Commission. Mediation Conferences involving a nonresident claimant or an accident
 8 occurring outside Oklahoma shall be held at the main offices of the Commission in Oklahoma City,
 9 Oklahoma, unless otherwise agreed to by the parties, or as otherwise directed by the Commission.

10 (f) A Mediation Conference may be concluded by any party at any time, by the mediator if in

 12 being reached by the parties. Whether or not an agreement or settlement is reached, upon conclusion
 13 of the conference, the mediator shall complete the Commission prescribed Report of Mediation
 14 Conference form and send a copy to each party. The original Report of Mediation shall be filed in

 17 Conference conducted by the Counselor Division shall be conducted according to the policies and
 18 procedures applicable to mediation conferences of workers' compensation matters by private
 19 mediators as provided in 810:2-3-4, 810:2-3-7 through 810:2-3-11.

 37 Commission's website at <http://www.wcc.ok.gov>; and
- 38 (2) Verify that the individual, if appointed, will:
 - 39 (A) schedule a mediation session within thirty (30) days of the order appointing
 40 the mediator, unless otherwise agreed to by the parties;

12 (e) **Revocation.**

13 (1) Removal of an individual from the list of certified workers' compensation mediators
 14 shall be by request of the mediator or by the Commission after notice and opportunity for
 15 hearing.

16 (2) The Commission may remove a mediator from the list of certified workers'
 17 compensation mediators for cause, including, but not limited to the following grounds:

18 (A) a material misrepresentation in information submitted to apply for
 19 appointment to the Commission's list of certified workers' compensation mediators;

20 (B) refusal or substantial failure to comply with this Section or other applicable
 21 Commission rules, and statutes.

22 (3) Proceedings related to revocation shall be governed by 810:2-5-50 on show cause
 23 hearings and the contested hearings rules set forth in Subchapter 5 of this Chapter.

24 **810:2-3-7. Mediation without Commission order of referral**

25 Mediation shall be voluntary and shall not be conducted without the consent of the parties.
 26 Parties to a workers' compensation dispute subject to mediation may mutually agree to mediation
 27 by a mediator certified by the Commission, to a preliminary conference pursuant to 810:2-3-5, to a
 28 Commission mediator pursuant to 85A O.S., §110(D), or may schedule and proceed with mediation
 29 independent of the Commission's processes and with a mediator of their choice. A party may initiate
 30 voluntary mediation with a Commission certified mediator by submitting a request for mediation in
 31 writing to the Commission's Counselor Division. The Division shall contact the opposing party to
 32 ascertain whether or not there is an agreement to mediate. Failure of the opposing party to respond
 33 to a request for mediation within fifteen (15) days of notification thereof shall be deemed a refusal
 34 to mediate. If mediation is agreed to, the parties shall enter into and submit to the Division a signed,
 35 written consent to mediate. If the parties are unable to agree upon a mediator from the
 36 Commission's list of certified mediators or elect not to mediate using the preliminary conference
 37 process, the Division shall assign a certified mediator, taking into consideration the availability and
 38 location of the certified mediator.

39 **810:2-3-8. Mediation by Commission order of referral**

40 The Commission may order referral to mediation pursuant to an order by the assigned
 41 administrative law judge as provided in 85A O.S., §22(C)(9) and 85A O.S., §110(E) following the
 42 filing of a request for administrative hearing and assent of the parties to mediate.

810:2-3-9. Mediator powers and responsibilities

The mediator:

- (1) has a duty to be impartial and to advise all parties of any circumstances bearing on possible bias, prejudice or partiality;
- (2) does not have the authority to impose a settlement upon the parties, but shall assist the parties to reach a satisfactory resolution of their dispute;
- (3) may direct questions to any of the parties or their respective representatives to supplement or clarify information;
- (4) may obtain expert advice concerning technical aspects of a claim, whenever necessary and with the consent of the parties;
- (5) may conduct separate meetings know as caucuses with each party, but shall not use these meetings as a time to coerce any party to settle. No information from a caucus may be divulged without permission of the party participating in the caucus; and
- (6) immediately following conclusion of mediation proceedings, report the results of the mediation to the Counselor Division on a Report of Mediation Conference form prescribed by the Commission. The report is required for all cases mediated by mutual agreement of the parties or pursuant to Commission order of referral, whether or not the parties reached an agreement.

810:2-3-10. Confidentiality of proceedings; attendance

- (a) Mediation sessions are private and shall not be recorded or transcribed in any way. Those in attendance may take notes during the mediation but all notes shall be collected by the mediator at the end of each session and held in a confidential file until the mediation process is completed. When the mediation process is completed, whether or not an agreement is reached, all notes and other writings produced while a mediation is in session, except the written agreement or memorandum of understanding, shall be destroyed.
- (b) The parties and one representative for each party may attend mediation sessions. The claimant shall be in attendance, unless all parties agree otherwise. A claimant may participate in mediation without counsel. Other persons may attend only with the consent of all parties and the mediator. Non-parties to the claim shall be advised by the mediator regarding confidentiality and are not allowed to participate in the mediation, but may confer privately with their sponsoring party. All persons attending a mediation session shall respect and maintain the total confidentiality of the session. Attendance at a mediation session shall be in person, except as otherwise authorized in advance by the assigned administrative law judge, if any, or by agreement of the parties and the mediator.
- (c) Evidence of statements made and conduct occurring in a mediation conference shall not be subject to discovery and shall be inadmissible in any proceeding in the action or other actions on the same claim. However, no evidence otherwise discoverable shall be inadmissible merely because it is presented or discussed in a mediation conference.
- (d) No mediator shall be compelled to testify or produce evidence concerning statements made and conduct occurring in a mediation conference in any civil proceeding for any purpose, except for proceedings of the State Bar Association, disciplinary proceedings of any agency established to enforce standards of conduct for mediators, and proceedings to enforce laws concerning juvenile or elder care.

1 (e) Statistical information regarding use of mediation in workers' compensation is subject to
2 public disclosure.

3 **810:2-3-11. Concluding mediation**

4 During the mediation conference, the parties may agree to resolve a particular issue, settle
5 the entire claim or conclude the mediation without reaching an agreement or settlement. A
6 mediation conference may be concluded by any party at any time, by the mediator if in the mediator's
7 discretion it is necessary or an impasse exists, or upon an agreement being reached by the parties.
8 If an agreement is reached, the agreement shall be reduced to writing by the mediator, then read and
9 signed by the parties and their counsel, if any, and the mediator. If the agreement requires a
10 Commission order, the order must be presented for approval. Whether or not the parties reached an
11 agreement or mediated by mutual agreement or pursuant to Commission order of referral, the
12 mediator shall report the results of the mediation as provided in 810:2-3-9.

13 **810:2-3-12. Mediator fees**

14 (a) A mediator certified by the Commission as provided in 810:2-3-6 shall be entitled to a fee
15 that does not exceed One Hundred Dollars (\$100.00) per hour, or portion thereof, for mediation
16 conferences, not to exceed a total fee of Eight Hundred Dollars (\$800.00) for any mediation
17 conference, even though the conference may recess and reconvene subsequently on one or more
18 dates. The employer or insurance carrier shall pay the mediator Two Hundred Dollars (\$200.00) on
19 or before the initial mediation session. This payment shall be applied against the Eight Hundred
20 Dollars (\$800.00) owed for the mediation conference. If the mediation is concluded at the initial
21 mediation session, the mediator shall bill the employer or insurance carrier the remaining balance
22 of the total fee. If the mediation conference is recessed and reconvened by the mediator, the
23 respondent shall pay the remaining balance to the mediator on or before the first reconvened date.
24 The mediator shall disclose the mediator's fees to the parties when scheduling the initial mediation
25 session. Mediators shall be entitled to reimbursement for mileage and necessary lodging expenses,
26 limited to the provisions of the State Travel Reimbursement Act, 74 O.S., §§500.1, et. seq. These
27 reimbursements shall be in addition to the fees set forth in this Subsection.

28 (b) Nothing in this Section shall prohibit a certified mediator from charging a flat fee for a
29 mediation conference, subject to the limits specified in this Section.

20 expenses, or a claim against the Multiple Injury Trust Fund for combined disabilities, by timely filing
21 a CC-Form-10 Answer and Notice of Contested Issues or an MFDR Form 10M, pursuant to 810:2-5-
22 16 or 810:3-15-3, as appropriate.

23 (b) A general denial or failure to timely file a CC-Form-10 or MFDR Form 10M shall be taken
24 as admitting all allegations in the claim form except jurisdictional issues; and

25 (1) the extent, if any, of the claimant's disability, for a CC-Form-3 or CC-Form-3B claim;
26 or

27 (2) the amount due, if any, for a death claim.

28 (c) Unless excused by the Commission for good cause shown, denials and affirmative defenses
29 shall be asserted on the CC-Form-10 or MFDR Form 10M, or shall be waived. No reply to the CC-
30 Form-10 or MFDR Form 10M is required.

31 **810:2-5-16. Request for administrative hearing and pretrial stipulations**

32 (a) Any party may request an administrative hearing before the Commission on any issue by
33 filing a CC-Form-9 Request for Hearing. As provided in 85A O.S., §71(B)(2), the request for
34 hearing shall clearly set forth the specific issues of fact or law in controversy and the contentions of
35 the party applying for the hearing.

36 (b) When a CC-Form-9 is filed on the issues of permanent partial disability or permanent total
37 disability, the claimant shall deliver a medical report to the opposing party. The name of the
38 physician and the date of the report shall be noted on the CC-Form-9. No CC-Form-9 may be filed
39 less than ten (10) days from the date the claimant has filed a claim for compensation as provided in
40 810:2-5-2 or 810:2-5-3.

41 (c) Objections to termination of temporary compensation made pursuant to 85A O.S., §45(A)(2),
42 and requests for temporary compensation or medical treatment, shall be set by the Commission on

1 the assigned administrative law judge's prehearing conference docket for expedited hearing, prior
2 to being docketed for an administrative hearing, unless otherwise directed by the assigned judge.
3 At the time of the prehearing conference, all parties, to the best of their ability, shall advise the
4 Commission and all parties of the number of witnesses expected to be called at the administrative
5 hearing.

6 (d) The procedure to request an administrative hearing for the termination of temporary
7 compensation is governed by 810:2-1-6.

8 (e) In all cases, the employer or insurance carrier shall file a CC-Form-10 Answer and Notice
9 of Contested Issues or MFDR Form 10M no later than thirty (30) days after the filing of the CC-
10 Form-9. The CC-Form-10 or MFDR Form 10M may be amended at any time, not later than twenty
11 (20) days before the date of the administrative hearing.

12 (f) Both the CC-Form-9, and the CC-Form-10 or MFDR Form 10M, shall list the names of all
13 witnesses, including any expert witnesses, which the party intends to call at the time of the
14 administrative hearing. Absent waiver by the opposing party, failure without good cause to comply
15 with this Subsection may, in the discretion of the hearing officer or the Commission, result in a
16 witness not listed being prohibited from testifying, or in the exclusion of the evidence if submitted
17 at the administrative hearing.

18 (g) Except as otherwise provided in Subsection (h) of this Section, no later than twenty (20) days
19 before the date of the administrative hearing, all parties shall exchange all documentary evidence,
20 exhibits and a complete list of witnesses with all opposing parties.

21 (h) As provided in 85A O.S., §72(C), any party proposing to introduce a medical report or
22 testimony of a physician at the hearing on a controverted claim, shall furnish a copy of the written
23 report of the physician's findings and opinions to the opposing party and to the Commission no later
24 than seven (7) days before the date of the hearing. If no written report is available to a party, that
25 party shall notify the opposing party and the Commission in writing of the name and address of the
26 physician proposed to be used as a witness and the substance of the physician's testimony no later
27 than seven (7) days before the date of the administrative hearing. Cross-examination of the
28 physician is governed by 85A O.S., §72(C)(2)(b).

29 (i) The time periods specified in Subsections (g) and (h) of this Section may be waived by
30 agreement of the parties.

31 (j) Absent waiver by the opposing party, failure without good cause to comply with Subsections
32 (g) or (h) of this Section, may, in the discretion of the hearing officer or the Commission, result in
33 exclusion of the evidence if submitted at the administrative hearing.

34 **810:2-5-17. Joinder and consolidation of proceedings**

35 (a) **Joinder.**

36 (1) A claimant who desires to add additional employers and/or insurance carriers, shall
37 promptly amend the claim for compensation (CC-Form-3, CC-Form-3A, or CC-Form-3B)
38 and mail a copy of the amended claim form to all parties, including the additional employers
39 and/or insurance carriers named. Mailing shall constitute service upon the additional parties.

40 (2) An employer or insurance carrier that desires to add additional employers and/or
41 insurance carriers shall file a CC-Form-13 Request for Prehearing Conference on the issue,
42 and mail a copy of the CC-Form-13 to all parties, including the additional employers and
43 insurance carriers named. The Commission shall notify all parties of the date of the

1 prehearing conference. At the prehearing conference, the Commission shall hear argument,
2 and based upon its discretion, enter its order granting or denying the request.

3 (3) The additional employers and insurance carriers shall comply with 810:2-5-15.

4 (4) The Commission, in its discretion, may impose an appropriate sanction prescribed
5 in 85A O.S., §83(B) against a party or the party's attorney who, without good cause shown,
6 frivolously joins another party.

7 **(b) Consolidation of proceedings.**

8 (1) **Consolidation to afford the parties a joint hearing stage.** Consolidation of
9 multiple cases involving the same claimant may be made for hearing purposes only at the
10 discretion of the administrative law judge assigned to the lowest case number, upon request
11 of either party. Cases consolidated for purposes of hearing only shall maintain individual
12 case numbers and shall remain subject to separate filing fees prescribed in 85A O.S., §118
13 and costs.

14 (2) **Consolidation of cases involving the same claim.** Cases involving the same claim
15 shall be consolidated to the lowest case number.

16 (3) **Prehearing conference on consolidation request.** All motions and requests to
17 consolidate shall be set for prehearing conference before the entry of a Commission order
18 sustaining or overruling the motion for case consolidation.

19 **810:2-5-18. Continuances**

20 (a) A request for a continuance will not be granted as a matter of course. Any motion for a
21 continuance may be granted only by the assigned administrative law judge for good cause shown.
22 All motions for continuance shall be signed by the party on whose behalf the motion is made.

23 (b) No continuance of an appeal scheduled for review by the Commission en banc is permitted
24 before the date of an oral argument authorized as provided in 810:2-5-66 without approval of the
25 Commission Chair, or in the absence of the Commission Chair, the Executive Director.
26 Continuances requested on the date of the oral argument will be granted only upon a majority vote
27 of the Commission en banc.

28 **810-2-5-19. Pauper status**

29 (a) A party may proceed without payment of fees and costs required under the AWCA or this
30 Title upon a determination by the Commission or an administrative law judge of the individual's
31 pauper status. Any party making application to proceed as a pauper shall complete and file a CC-
32 Form-99 with the Commission and serve a copy thereof on all other parties in the proceeding. The
33 CC-Form-99 shall be prescribed by the Commission.

34 (b) The CC-Form-99 shall be set for prehearing conference before the assigned administrative
35 law judge before any hearing on the merits, with notice to all other parties in the proceeding. If filed
36 at the time an appeal on an underlying issue is filed with the Commission en banc, the CC-Form-99
37 shall be addressed by the assigned administrative law judge before the appeal is docketed for hearing.

38 (1) If the administrative law judge denies the request for pauper status, the applicant may
39 appeal the denial order to the Commission en banc within ten (10) days of its issuance as
40 reflected by the file-stamped date on the order. The appeal to the Commission en banc shall
41 be set on a priority basis. Payment of the cost of the appeal, including transcript costs and
42 the filing fee, will be deferred pending resolution of the appeal.

(2) If the Commission en banc affirms the denial of pauper status, the applicant must either pay all of the deferred costs of the appeal or seek review of the Commission en banc's order by appealing it to the Supreme Court within twenty (20) days of when the Commission en banc's order was sent. Failure to do either shall result in dismissal of the underlying appeal to the Commission en banc upon motion of the opposing party. Only one appeal fee is due because the pauper status appeal is part of the original, underlying appeal.

(3) If pauper status is found by the Commission en banc, the deferred costs and fees shall be borne by the Commission, and the underlying appeal will be docketed for hearing.

CHAPTER 2 - Practice and Procedure

Subchapter 5 - Hearings Conducted by Administrative Law Judges and the Commission

PART 5 - PREHEARING PROCEEDINGS

Section 810:2-5-30 Prehearing conference

Section 810:2-5-31 Discovery

810:2-5-30. Prehearing conference

(a) Any party shall have the right to request a prehearing conference before the Commission on any issue by filing a CC-Form-13 Request for Prehearing Conference. The requesting party must certify on the request that the parties have conferred or attempted to confer in good faith, but have reached an impasse and are unable to resolve the issue.

(b) The purpose of the prehearing conference is to permit an informal hearing between the parties and the administrative law judge in an effort to resolve the case or issues in the case before an administrative hearing, and to discuss the facts, identify the legal issues, present discovery requests, make all appropriate stipulations, and discuss such other matters as may facilitate consideration of the case.

(c) The administrative law judge shall set the matter for prehearing conference at the earliest available time after the filing of the CC-Form-13. Notice of the date, time and place of the prehearing conference shall be provided by the Commission to all parties or their attorneys of record.

(d) Nothing in this Section shall limit a party's right to request a conference with the assigned administrative law judge at the time of the administrative hearing.

(e) The Commission, in its discretion, may order the appearance of any party or attorney at any prehearing conference or conference requested with the administrative law judge at the time of the administrative hearing. Nothing in this Section shall limit the authority of an administrative law judge to order a prehearing conference or conference at the time of the administrative hearing.

(f) The Commission may, in its discretion, impose an appropriate sanction prescribed in 85A O.S., §83(B) against an offending party for failure to appear at a conference, appearance at a conference substantially unprepared, failure to participate in the conference in good faith, or for seeking the conference in an effort to delay, harass or increase costs.

810:2-5-31. Discovery

(a) **Generally.** Discovery in administrative proceedings before the Commission is governed by this Section.

(b) **Authority of the administrative law judge.** The administrative law judge, upon the judge's own motion or on the motion of either party, may permit or perform such discovery or other appropriate action as the judge decides is appropriate in the circumstances, taking into account the

1 needs of the parties to the proceeding and other affected persons and the desirability of making the
 2 proceeding fair, expeditious, and cost-effective. If discovery is permitted or performed, the
 3 administrative law judge may order a party to the proceeding to comply with the judge's discovery-
 4 related orders, issue subpoenas for the attendance of a witness and for the production of records and
 5 other evidence at a discovery proceeding, including a deposition, and take action against a
 6 noncomplying party as appropriate and consistent with 85A O.S., §73(B) and 85A O.S., §83(B).

7 (c) **Protective orders.** The Commission may issue a protective order to prevent the disclosure
 8 of privileged information, confidential information, trade secrets, and other information protected
 9 from disclosure to the extent a court could if the controversy were the subject of a civil action in this
 10 state, including any orders with respect to subpoenas and attendance of a witness as may be
 11 appropriate for the protection of persons, including an order quashing a subpoena, excusing
 12 attendance of witnesses, or limiting documents to be produced.

13 (d) **Subpoenas; costs; fees; service.** When a witness is required to appear or to produce
 14 documentary evidence, a subpoena shall be issued under the seal of the Clerk of the Commission.
 15 The party requesting the subpoena shall fill it in before issuance. The subpoena may be served by
 16 certified mail with return receipt requested or it may be hand delivered. The party requesting the
 17 subpoena shall bear the cost of serving it. Except as otherwise provided by law or this Title for
 18 physician testimony, fees of a nonparty witness who is subpoenaed to appear before the Commission
 19 shall be the same as those allowed to witnesses appearing before the district courts of this state.
 20 Party witnesses are not entitled to witness fees.

21 (e) **Completion of discovery by the employer or insurance carrier in contested claims.**
 22 Pursuant to 85A O.S., §111, if the compensability of a claim is contested, the employer or insurance
 23 carrier shall complete and secure a medical evaluation of the claimant within sixty (60) days of the
 24 filing of a claim for compensation pursuant to 810:2-5-2.

25 **CHAPTER 2 - Practice and Procedure**

41 (a) **Submission to medical examination.** Upon reasonable advance notice from the employer
 42 or insurance carrier, the employee must submit to a medical examination by a physician selected by
 43 the employer or insurance carrier. If the claimant refuses to submit to the examination, the employer

1 or insurance carrier may file a CC-Form-13 requesting the claimant's compensation and right to
 2 prosecute any proceeding under the AWCA be suspended during the period of refusal as provided
 3 in 85A O.S., §50(E). The claimant must show cause at the hearing why the request of the employer

 16 (\$8.00) per meal per four hours of travel status, not to exceed three meals per day.

17 **810:2-5-46. Evaluation of permanent impairment**

18 (a) **Generally.** Except for scheduled member injuries as defined in 85A O.S., §2(40) and as
 19 otherwise provided in this Section, evaluations of permanent impairment for injuries occurring on
 20 or after February 1, 2014 must be based solely on criteria established by the current edition of the
 21 American Medical Association's *Guides to the Evaluation of Permanent Impairment*. Evaluation
 22 of permanent impairment to the spine for injuries occurring on or after February 1, 2014 must be
 23 based on criteria established in the most current edition of the *Guides*. Deviations from the *Guides*
 24 are permitted only when specifically provided for in the *Guides*, or pursuant to an alternative method
 25 of evaluation approved pursuant to 85A O.S., §60 that deviates from or is used in place of or in
 26 combination with the *Guides*.

27 (b) **Change of condition.** Evaluations of permanent impairment which are prepared in support
 28 of a Motion of Change of Condition occurring on or after February 1, 2014 shall be performed using
 29 the appropriate edition of the *AMA Guides*, including any approved alternative method of evaluation
 30 developed as provided in 85A O.S., §60 that deviates from or is used in place of or in combination
 31 with the *Guides*, in effect on the date of injury.

32 (c) **Hearing impairment.** The current edition of the American Medical Association's *Guides*
 33 *to the Evaluation of Permanent Impairment*, or any alternative method approved pursuant to 85A
 34 O.S., §60 that deviates from or is used in place of or in combination with the *Guides*, in effect on
 35 the date of injury, shall be used to evaluate permanent impairment caused by hearing loss where the
 36 last exposure occurred on or after February 1, 2014. Objective findings necessary to prove
 37 permanent disability in occupational hearing loss cases may be established by medically recognized
 38 and accepted clinical diagnostic methodologies, including, but not limited to audiological tests that
 39 measure air and bone conduction thresholds and speech discrimination ability. Differences in
 40 baseline hearing levels shall be confirmed by subsequent testing given within four (4) weeks of the
 41 initial baseline hearing level test but not before five (5) days after being adjusted for presbycusis.

42 (d) **Eye impairment.**

43 (1) The criteria for measuring and calculating the percentage of eye impairment for an
 44 injury occurring on or after February 1, 2014 shall be pursuant to this Subsection. A

1 physician may deviate from the method of evaluation provided for in this Subsection or may
 2 use some other recognized method of evaluation, if the deviation or the method of evaluation
 3 is fully explained.

4 (2) Industrial blindness (a visual acuity for distance of 20/200), in both eyes, constitutes
 5 statutory permanent total disability per 85A O.S., §2(35), regardless of the employee's
 6 capacity for gainful employment. It is not necessary to show the percentage of permanent
 7 impairment for loss of vision above industrial blindness since there can be no loss greater
 8 than one-hundred percent (100%).

9 (3) Physicians should consult the American Medical Association's *Guides to the*
 10 *Evaluation of Permanent Impairment* regarding the equipment necessary to test eye function
 11 and for methods of evaluating vision loss. The following Snellen Chart may then be used
 12 to compute the percentage of visual efficiency and percentage of permanent eye impairment.
 13 Evaluation of visual impairment may be based upon visual acuity for distance and near,
 14 visual fields and ocular motility with absence of diplopia.

15 (4) Use of corrective lenses may be considered in evaluating the extent of vision loss,
 16 85A O.S., §46(E).

(b) When a dispute arises among several attorneys as to the identity of claimant's attorney of record, or when several successive attorneys lay claim to a fee in the same case, the administrative law judge shall decide the issues raised and allocate the fee allowed in proportion to the services rendered.

(c) Nothing in this Section precludes resolution of an attorney fee dispute by mediation or agreement of the parties, as appropriate.

810:2-5-48. Sessions, hearings and venue, generally

 7 Oklahoma and other jurisdictions, facts that are judicially cognizable, and generally recognized facts
 8 within the Commission's specialized knowledge; provided all parties shall be notified either before
 9 or during the hearing of the material so noticed, and they shall be afforded an opportunity to contest
 10 the facts so noticed.

11 (e) **Documents.**

12 (1) A photographic copy of a document which is on file as part of the official records of
 13 the Commission will be received without further authentication.

14 (2) A photographic copy of a public record certified by the official custodian thereof will
 15 be received without further authentication. A written statement by such custodian of records
 16 that no record or entry of described character is found in his records shall be received as
 17 proof of absence of such record.

18 (3) A photographic copy of a document may be substituted for the original at the time
 19 the original is offered in evidence.

20 (4) A document may not be incorporated in the record by reference except by permission
 21 of the Commission or administrative law judge. Any document so received must be precisely
 22 identified.

23 (5) The Commission or administrative law judge may require that additional copies of

41 (2) Medical opinions addressing compensability and permanent disability must be stated
 42 within a reasonable degree of medical certainty. Medical opinions concerning the existence
 43 or extent of permanent disability must be supported by competent medical testimony of a
 44 physician described in 85A O.S., §45(C)(1) and shall be supported by objective findings as
 45 described in 85A O.S., §2(31). The medical testimony must include the employee's

1 percentage of permanent partial disability and whether or not the disability is job-related and
2 caused by the accidental injury or occupational disease or illness.

3 (3) The fact that the medical report constitutes hearsay shall not be grounds for its
4 exclusion; provided, objection to and request for cross-examination of a Commission

19 (b) **Exceptions.** The Commission en banc shall hear appeals of decisions from administrative
20 law judges, 85A O.S., §78, review adverse benefit determinations made pursuant to 85A O.S., §211
21 of the Oklahoma Injured Employee Benefit Act, 85A O.S., §200, and hear appeals of orders of the
22 Workers' Compensation Court of Existing Claims, 85A O.S., §400.

23 (c) **Show cause hearings.** When a Commission Division contests a permit or license holder's
24 compliance with state workers' compensation laws or Commission rules, the Division may cause
25 notice to be issued to the permit or license holder to appear before an administrative law judge or
26 an administrative hearing officer designated by the Commission to show why the holder's permit or
27 license should not be cancelled or revoked. The notice shall contain a date certain for the hearing.
28 Failure to appear at the hearing may result in the cancellation or revocation of the permit or license.
29 Appearances at the hearing are governed by 810:2-1-9. The permit or license holder is to bring all
30 reports and payments for delinquent assessments or other documentation pertinent to the hearing to
31 the show cause hearing. Evidence and witnesses may be presented at the hearing.

32 **810:2-5-51. Assignment of administrative law judge; notice of hearing**

33 (a) The Commission shall assign a claim for compensation filed pursuant to 810:2-5-2 to an
34 administrative law judge who shall hold a hearing upon the request of an interested party or on the
35 judge's own motion.

36 (b) If a hearing is ordered, at least ten (10) days' notice of the hearing shall be served on the
37 claimant and other interested parties, personally or by mail as prescribed in 85A O.S., §71(B)(4).
38 The date, time and location of the hearing shall be specified in the notice. The hearing shall be held
39 in Oklahoma City, Oklahoma or Tulsa, Oklahoma, as provided in 810:2-5-48. Objections to venue

1 **810:2-5-52. Disqualification of assigned administrative law judge**

2 (a) Any party who feels that a fair and impartial administrative hearing or other hearing cannot
3 be received from the administrative law judge to whom the matter is assigned, shall make written
4 motion requesting the judge to withdraw from the case. That application need not set forth specific
5 reasons. The administrative law judge may withdraw without further proceeding and immediately
6 refer the matter to the Executive Director for reassignment.

7 (b) Any party aggrieved by an order of an administrative law judge who refused to grant a written
8 request to disqualify, or transfer a claim to the Executive Director for reassignment, may seek
9 corrective relief by invoking the jurisdiction of the Commission en banc in the manner and within
10 the time provided by 85A O.S., §78, with appeal possible thereafter to the Oklahoma Supreme Court
11 if the relief sought by the petitioner was denied by the Commission en banc.

12 (c) An order of the assigned administrative law judge or the Commission en banc which is
13 favorable to the petitioner may not be reviewed in any tribunal either by appeal or in any other
14 procedural framework.

15 **810:2-5-53. Hearings**

16 (a) All hearings shall be conducted in a fair, impartial and expeditious manner. Administrative
17 law judges shall hear claims sitting without a jury, 85A O.S., §27(A).

18 (b) Every administrative law judge appointed by the Commission shall have the power to:

19 (1) refer a matter to mediation as provided in 85A O.S., §110 and Subchapter 3 of this
20 Chapter;

27 (8) hold conferences for settlement or simplification of the issues;

28 (9) dispose of procedural requests, motions, or similar matters, and objections thereto;

29 (10) issue orders, including interlocutory orders for the proper and expeditious handling
30 of the case;

31 (11) grant further hearings per 85A O.S., §72(C) for the purpose of introducing additional
32 evidence; and

33 (12) take such other action as authorized by law or this Section, or as may facilitate the
34 orderly conduct and disposition of the hearing.

35 (c) **Submission of evidence.** Submission of evidence is addressed in 810:2-5-49.

36 (d) **Written arguments.** The Commission or administrative law judge may require or allow the
37 parties of record to submit written arguments and legal authority for their respective positions as an
38 aid to the Commission or judge, and may designate the order and time for doing so and for replying
39 to the submission.

40 (e) **Closing the record.** The record shall be closed when all parties of record have had an
41 opportunity to be heard and to present evidence, and the Commission or administrative law judge
42 announces that the record of testimony and exhibits is closed.

1 **810:2-5-54. Judgment or award of the administrative law judge**

2 The administrative law judge shall issue written findings of fact and conclusions of law

6 **CHAPTER 2 - Practice and Procedure**

7 **Subchapter 5 - Hearings Conducted by Administrative Law Judges and the Commission**

8 **PART 9 - POST ORDER RELIEF**

9 Section 810:2-5-66 Appeal of administrative law judge order

10 Section 810:2-5-67 Appeal of order issued by judge of the Court of Existing Claims

11 Section 810:2-5-68 Enforcement of compensation judgment or award

12 **810:2-5-66. Appeal of Commission administrative law judge order**

13 (a) **Request for Review.** Any party aggrieved by a judgment or award of an administrative law
14 judge, which party for purposes of this Section shall be known as the “appellant”, may appeal the
15 order to the Commission en banc by filing an original and two (2) copies of a Request for Review
16 with the Commission within ten (10) days of when the order was issued as reflected by the file-
17 stamped date on the order. The Request for Review shall:

18 (1) be in writing;

19 (2) include a copy of the order being appealed;

20 (3) clearly and concisely rebut each issue in the administrative law judge’s order that the
21 appellant wants reviewed, and state the relief sought. General allegations of error do not
22 suffice. Allegations of error concerning matters not included in a timely filed Request for
23 Review shall be deemed waived;

24 (4) be served on all other parties of record, which for purposes of this Section shall be
25 known as the “respondents”; and

26 (5) have a certificate of service setting forth the manner of such service as required by
27 810:2-1-7.

28 (b) **Designation of Record.** A designation of record shall be filed by the appellant and served
29 on the court reporter and all respondents before or when the Request for Review is filed. The cost
30 of the transcript shall be advanced immediately by the appellant. The transcript shall be prepared
31 and sent to all parties to the appeal within thirty (30) days from the date the designation of record
32 is filed.

33 (c) **Timeliness of filings.** The timeliness of the filing of a Request for Review is governed by
34 810:2-1-13. Untimely Requests for Review do not invoke the jurisdiction of the Commission en
35 banc and will not be reviewed by the Commission en banc.

36 (d) **Oral argument.**

37 (1) Oral argument by the parties before the Commission en banc is not required, unless
38 requested or allowed by the Commission. One or more of the parties may request an oral
39 argument by filing a Request for Oral Argument within fifty (50) days after the Request for
40 Review is filed with the Commission. Notice of the setting of the oral argument, if allowed,
41 shall be provided to the parties not less than ten (10) days before the date of the oral
42 argument.

1 (2) Oral argument before the Commission en banc shall be limited to ten (10) minutes
 2 per side, unless the time is enlarged by leave of the Commission en banc. Any party failing
 3 to appear when the appeal is called for oral argument shall be deemed to have waived the
 4 right to argue the case and the appeal shall be considered as submitted on the record.

5 (e) **Written argument.** In any case pending on a Request for Review, the parties of record shall
 6 submit written arguments, including a statement of facts and legal authority for their
 7 respective positions, as an aid to the Commission en banc. The written argument shall not
 8 exceed five (5) pages in length, and shall be double spaced and prepared in at least ten point
 9 font size on 8 ½" x 11" paper with one inch margins. No appendix or other documents shall
 10 be attached to the written argument. The appellant has fifty (50) days after the filing of the
 11 Request for Review within which to file an original and two (2) copies of the written
 12 argument with the Commission, with a copy served on all opposing parties. The opposing
 13 parties then have an additional thirty (20) days, for a total of seventy (70) days from the file-
 14 stamped date of the Request for Review, within which to submit a response. When
 15 submitted, the original and two (2) copies of the response, shall be filed with the
 16 Commission and a copy served on the appellant.

17 (f) **Description of appeal proceeding.**

18 (1) In appeals pursuant to this Section, the Commission en banc may:

19 (A) modify the decision of the administrative law judge;

20 (B) reverse the decision of the administrative law judge and render a new
 21 decision;

22 (C) reverse the decision of the administrative law judge and remand the matter
 23 to the administrative law judge with instructions or for a new administrative hearing;
 24 or

25 (D) affirm the decision of the administrative law judge.

26 (2) The Commission en banc may reverse or modify the decision of an administrative
 27 law judge only if it determines that the decision was against the clear weight of the evidence
 28 or was contrary to law. Any judgment of the Commission en banc which reverses a decision
 29 of the administrative law judge shall contain specific findings relating to the reversal.

30 (3) All proceedings of the Commission en banc shall be recorded by a court reporter, if
 31 requested by a party. Any party requesting a transcript of the proceedings shall bear the costs
 32 associated with its preparation. During the pendency of an appeal to the Commission en
 33 banc, the administrative law judge shall retain jurisdiction over any issue not affected by the
 34 eventual ruling of the appellate body.

35 (g) **Appeal to Supreme Court.** An order of the Commission en banc may be appealed to the
 36 Oklahoma Supreme Court, as provided in 85A O.S., §78, within twenty (20) days of being sent to
 37 the parties as reflected by the file-stamped date on the order.

38 **810:2-5-67. Appeal of order issued by judge of the Court of Existing Claims**

39 (a) Any party aggrieved by an order of a judge of the Workers' Compensation Court of Existing
 40 Claims, 85A O.S., §400, entered on or after February 1, 2014, may appeal the order to the
 41 Commission in the same manner and subject to the same time lines as applicable to appeals to the
 42 Commission en banc of orders by a Commission administrative law judge.

1 (b) An order of the Commission en banc may be appealed to the Oklahoma Supreme Court, as
 2 provided in 85A O.S., §78, within twenty (20) days of being sent to the parties as reflected by the
 3 file-stamped date on the order.

4 **810:2-5-68. Enforcement of compensation judgment or award**

5 A final compensation judgment or award issued by the Commission or an administrative law
 6 judge which has not been complied with by the employer or insurance carrier may be enforced as
 7 provided in 85A O.S., §79.

8 **CHAPTER 2 - Practice and Procedure**

9 **Subchapter 5 - Hearings Conducted by Administrative Law Judges and the Commission**

10 **PART 11 - CONTEMPT**

11 Section 810:2-5-75 Contempt procedure

12 **810:2-5-75. Contempt procedure**

13 (a) **Commencement.** A cause filed for contempt for disobedience to or violation of law or a
 14 rule, order or judgment of the Commission shall be commenced by the filing of a verified complaint.

15 (b) **Complaint.** The complaint shall state:

16 (1) The name of the person, firm, trust, corporation, limited liability company or
 17 association against whom the complaint is made.

18 (2) Each law, rule or order of which violation is charged.

19 (3) In general terms, the acts or omissions constituting the violation of which complaint
 20 is made. If complaint is made of more than one violation, each violation shall be separately
 21 stated.

22 (c) **Citation.** When a complaint is filed, the Clerk of the Commission shall issue in the name
 23 of the state a citation directed to the person against whom complaint is made, which citation shall
 24 be accompanied by a copy of the complaint. The citation shall state:

25 (1) The name of the complainant and the date the complaint was filed.

26 (2) A brief description of the nature of the complaint.

27 (3) Reference to the accompanying copy of the complaint.

28 (4) The date upon which the complaint is set for hearing, which shall not be earlier than
 29 ten (10) days from the date the citation is served.

30 (5) A statement that, unless the person complained against shall on or before the date for
 31 hearing file a response to the complaint, the allegations and charges therein will be taken as
 32 confessed.

33 (d) **Service of citation.** Service of the citation for contempt may be made by a person directed
 34 to do so by order of the Commission. Service shall be made by mailing the citation for contempt by
 35 certified mail to the respondent's last known address as listed in Commission records. The
 36 respondent is responsible for notifying the Commission of any change of address.

37 (e) **Return of service.** The person making the service shall make his return thereof, and file the
 38 same with the Clerk of the Commission. The return shall show the time when the citation was
 39 received by him, and the time and manner the same was served by him, and such return shall be
 40 verified by the person making the service. Service of the citation for contempt on the respondent by
 41 certified mail shall be considered effective if returned from the last known address as listed in
 42 Commission records for the following reasons, including, but not limited to:

1 (1) Signed by any person at the address listed.

2 (2) Undeliverable - no forwarding address, forwarding address expired, unclaimed and/or
3 refused.

4 (f) **Default.** If no response to the complaint is filed on or before the date set for hearing, or if
5 a respondent fails to appear at the time set for hearing, as specified in the citation, the Commission
6 may immediately proceed to hear the complaint. After hearing the evidence, the Commission shall
7 impose such fine pursuant to 85 O.S., §73(B) as the facts and circumstances warrant, or dismiss the
8 complaint.

9 (g) **Response.** A respondent who desires a hearing shall, on or before the time specified in the
10 citation for hearing, file a response to the merits of the cause and shall appear at the time set for
11 hearing. The response shall include all objections and defenses of any nature to the complaint and
12 may include a motion to dismiss the complaint for reason of insufficiency thereof or lack of
13 jurisdiction.

14 (h) **Hearing procedures.** At the hearing, the Commission shall first hear all objections and
15 defenses other than to the merits of the complaint and shall enter an appropriate order thereon.
16 Amendments may be permitted upon terms that are just, with or without grant of a continuance.
17 After all preliminary questions are heard, the Commission shall hear the merits of the complaint, and
18 at the conclusion thereof, shall impose such fine pursuant to 85 O.S., §73(B) as the facts and
19 circumstances warrant, or dismiss the complaint.

20 (i) **Hearing date.** Every cause instituted under this Section shall be tried on its merits on the
21 date specified in the citation, or at such other time to which such cause shall be continued for hearing
22 by the Commission.

23 CHAPTER 2 - Practice and Procedure

24 Subchapter 5 - Hearings Conducted by Administrative Law Judges and the Commission

25 PART 13 - DISMISSALS

26 Section 810:2-5-85 Dismissals

27 **810:2-5-85. Dismissals**

28 (a) **Generally.** Except as otherwise required by law, unless good cause is shown, dismissal of
29 a complaint shall be without prejudice.

30 (b) **Untimely prosecution or failure to prosecute claim.**

31 (1) The Commission, on motion and after notice and hearing, may dismiss a claim for
32 compensation with prejudice if no bona fide request for hearing with respect to the claim has
33 been made within six (6) months of the filing of claim.

34 (2) The Commission shall dismiss a claim for additional compensation without prejudice
35 to refiling of the claim within the limitation period specified in 85A O.S., §69(B), if no bona
36 fide request for hearing with respect to the claim has been filed within six (6) months after
37 the filing of the claim for additional compensation. A claim for additional compensation is
38 described in 85A O.S., §69(B)(C)(D).

39 (c) **Request of party filing claim for compensation.** Voluntary dismissal of a claim for
40 compensation pursuant to a request of the worker is authorized in 85A O.S., §108. This law gives
41 the injured worker, upon order of the Commission and payment of the \$140.00 final award fee
42 provided for in 85A O.S., §118, the right to dismiss the worker's claim for compensation at any time
43 before final submission of the case to the Commission for decision. The worker's application for

1 dismissal shall be made on a Commission prescribed CC-Form-100. The dismissal shall be without
 2 prejudice, unless the Commission's order on the CC-Form-100 clearly identifies the dismissal as
 3 with prejudice. Prior to entering an order for dismissal with prejudice, the Commission may require
 4 notice and an evidentiary hearing.

5 **CHAPTER 2 - Practice and Procedure**

6 **Subchapter 5 - Hearings Conducted by Administrative Law Judges and the Commission**

7 **PART 15 - SETTLEMENTS**

8 **Section 810:2-5-95 Joint Petition Settlements**

9 **810:2-5-95. Joint petition settlements.**

10 (a) Under 85A O.S., §87 and 85A O.S., §115, upon and after the filing of a claim for
 11 compensation, or, in the absence of a claim for compensation, the filing of the Employer's First
 12 Notice of Injury in a claim involving a pro se employee, the parties may engage in a compromise and
 13 release of any and all liability which is claimed to exist under the AWCA on account of the injury
 14 or occupational disease or illness, subject to approval by the Commission, an administrative law
 15 judge, or counselor of the Commission's Counselor Division.

16 (b) The parties in interest to a claim for compensation may settle upon and determine any and
 17 all issues and matters by agreement, subject to the terms and conditions of this Section.

18 (c) Any agreement submitted to the Commission, administrative law judge or counselor of the
 19 Commission's Counselor Division, for approval shall be set forth in a Commission prescribed CC-
 20 Joint Petition Settlement. Nothing in this rule shall preclude the Multiple Injury Trust Fund from
 21 compromising a claim as authorized by 85A O.S., §32(F).

22 (d) No CC-Joint Petition Settlement agreement shall be binding on the parties in interest unless
 23 it is approved by the Commission pursuant to 85A O.S., §22, administrative law judge of the
 24 Commission pursuant to 85A O.S., §115, or counselor of the Commission's Counselor Division
 25 pursuant to 85A O.S., §70. The CC-Joint Petition Settlement, including any attached appendix as
 26 provided in 85A O.S., §115(B), identifying the outstanding issues that are subject to the
 27 Commission's continuing jurisdiction and possible reopen, shall be approved unless it is determined
 28 that:

- 29 (1) The agreement is unfair, unconscionable, or improper as a matter of law; or
- 30 (2) The agreement is the result of an intentional misrepresentation of a material fact; or
- 31 (3) The agreement, if for permanent disability, is not supported by competent medical
 32 evidence as required by 85 O.S., §2(33).

33 (e) As used in this Section, "parties in interest" means the respondent (employer and the
 34 employer's insurance carrier if insured), and an employee. An employee who is not represented by
 35 legal counsel may effect a CC-Joint Petition Settlement upon the employer's filing of the Employer's
 36 First Notice of Injury as provided in 810:2-1-4, or the employee's filing of a claim for compensation
 37 (CC-Form-3 or CC-Form-3B), regarding the injury or occupational disease or illness which is the
 38 subject of the CC-Joint Petition Settlement.

39 (f) In no instance shall the total attorney's fee amount provided for in a CC-Joint Petition
 40 Settlement exceed the maximum attorney fee allowed by law.

41 (g) No CC-Joint Petition Settlement shall be made upon written interrogatory or deposition
 42 except in cases where the claimant is currently engaged in the military service of the United States,
 43 is outside of the state, is a nonresident of Oklahoma, or in cases of extreme circumstances.

1 (h) The Commission is not required to stenographically report or prepare a record of joint
 2 petition settlement hearings. The Commission, an administrative law judge or a Counselor Division
 3 counselor shall record the hearing at no cost to the parties. Nothing in this Subsection is intended
 4 to preclude a transcript of the settlement proceedings being made by a court reporter at the request
 5 and expense of the person ordering it.

6 (i) A file-stamped copy of an approved CC-Joint Petition Settlement shall be mailed by the
 7 Commission to all unrepresented parties and attorneys of record.

8 (j) A CC-Joint Petition Settlement that fully and finally resolves all issues in a claim for
 9 compensation between the employee and the employer, shall not be deemed an adjudication of the
 10 rights between the medical or rehabilitation provider and the employer for reasonable and necessary
 11 medical and rehabilitation expenses incurred by the employee due to the injury before the file-
 12 stamped date of the approved CC-Joint Petition Settlement.

13 (k) Within seven (7) days of the date a medical provider provides initial treatment for a work-
 14 related accident, the medical provider shall provide notice in writing to the Commission, if and only
 15 if, a CC-Form-3 or CC-Form-3B has been filed with the Commission, and in all cases shall provide
 16 notice in writing to the patient's employer, and if known, the employer's insurance carrier. If the
 17 medical provider fails to provide the required notification, the medical provider forfeits any rights
 18 to future notification, including those circumstances where a case is fully and finally settled by a CC-
 19 Joint Petition Settlement, unless the medical provider is actually known to the employer or insurance
 20 carrier or is listed by the employee.

21 (l) If the issue of medical treatment is fully and finally settled by a CC-Joint Petition Settlement,
 22 the employee shall provide to the employer or insurance carrier a list of all medical providers known
 23 to the employee. The Commission prescribed Form CC-JPS shall be used for that purpose. Within
 24 ten (10) days from the file-stamped date of the CC-Joint Petition Settlement, the employer or
 25 insurance carrier shall send notice of the CC-Joint Petition Settlement to all medical providers listed
 26 by the employee and to all medical providers known to the employer or insurance carrier. The
 27 employee is liable for payment of any medical services rendered after the CC-Joint Petition
 28 Settlement is filed. The employee also is responsible for informing any future medical providers that
 29 the case or issue of medical treatment was fully and finally disposed of by a CC-Joint Petition
 30 Settlement and that the employee, rather than the employer or insurance carrier, is the party
 31 financially responsible for such services.

32 **CHAPTER 2 - Practice and Procedure**

33 **Subchapter 5 - Hearings Conducted by Administrative Law Judges and the Commission**

34 **PART 17 - FEES**

35 **Section 810:2-5-105 Fees**

36 **810:2-5-105. Fees.** Fees payable to the Commission include:

37 (a) A fee of One Thousand Dollars (\$1,000.00), payable by each carrier writing worker's
 38 compensation insurance in this state, upon securing a license to transact business in this state [85A

4 noncoverage or renewal thereof [85A O.S., §36(D)(2)];

6 of a Commission order to the Oklahoma Supreme Court, payable by the appealing party [85A O.S.,

9 becomes final (i.e. the employer or insurance carrier if there is an award of compensation, or the

11 Dollars (\$10.00) of the fee is payable by the Commission to the credit of the Attorney General's
12 Workers' Compensation Fraud Unit Revolving Fund;

33 Section 810:3-5-5 Requirements for use of closed formulary

34 Section 810:3-5-6 Medical Interlocutory Order

35 **810:3-5-1. Pharmaceutical services**

1 approximate quantity of the OTC medication that is reasonably required by the nature of the
2 compensable injury. The doctor shall prescribe OTC medications in lieu of a prescription drug when
3 clinically appropriate.

4 (c) **Generic prescriptions.** The doctor shall prescribe generic prescription drugs when available
5 and clinically appropriate. If in the medical judgment of the prescribing doctor a brand name drug
6 is necessary, the doctor must specify on the prescription that brand name drugs be dispensed in
7 accordance with applicable state and federal law, and must maintain documentation justifying the
8 use of the brand name drug, in the patient's medical record.

9 (d) **Use of formulary.** When prescribing, the doctor shall choose medications and drugs from
10 the formulary adopted by the Commission.

11 (e) **Statement of medical necessity.** The insurance carrier, employee or pharmacist may request
12 a statement of medical necessity from the prescribing doctor. The prescribing doctor shall provide
13 the statement of medical necessity to the requesting party no later than the fourteenth working day
14 after receipt of a request.

17 carrier denies payment for medications for any reason related to compensability of, liability for,
18 extent of, or relatedness to the compensable injury, or for reasons related to reasonableness or
19 medical necessity, the insurance carrier shall also send the EOB to the injured employee and the
20 prescribing doctor.

21 (g) **Billing and reimbursement.** Billing, reimbursement methodologies and the maximum
22 allowable reimbursement for pharmaceutical services are subject to 85A O.S., §50 and the Oklahoma
23 workers' compensation fee schedule in effect on the date of service, unless the services are provided
24 pursuant to a certified workplace medical plan or a written contract between the insurance carrier
25 and provider as provided in 85A O.S., §55(B).

26 **810:3-5-2. Outpatient open formulary for claims with a date of injury on or after February** 27 **1, 2014 and before November 1, 2014**

28 (a) For claims with a date of injury occurring on or after February 1, 2014 and before November
29 1, 2014, which for purposes of this Section shall be known as "legacy claims", the open formulary
30 as defined in 810:3-1-2 remains in effect until those claims become subject to the closed formulary
31 in accordance with 810:3-5-3.

32 (b) Except as provided in Subsection (d) of this Section, health care, including a prescription
33 drug, for legacy claims not subject to a certified workplace medical plan shall be provided using the
34 ODG in effect at the time of treatment as the primary standard of reference for determining the
35 frequency and extent of services presumed to be medically necessary and appropriate for
36 compensable injuries under the AWCA.

37 (c) Health care, including a prescription drug, for legacy claims subject to a certified workplace
38 medical plan shall be in accordance with the plan's treatment guidelines and preauthorization
39 requirements. In accordance with 85A O.S., §64(B), a plan's treatment guidelines shall be consistent
40 with the ODG in effect at the time of treatment.

41 (d) Drugs included in the open formulary prescribed and dispensed for legacy claims not subject
42 to a certified workplace medical plan do not require preauthorization, except for any investigational
43 or experimental drug for which there is early, developing scientific or clinical evidence

1 demonstrating the potential efficacy of the treatment, but which is not yet broadly accepted as the
2 prevailing standard of care.

3 (e) Drugs included in the open formulary that do not require preauthorization under Subsection
4 (d) of this Section and are prescribed and dispensed for legacy claims are subject to retrospective
5 review of medical necessity and reasonableness of health care by the insurance carrier.

6 **810:3-5-3. Transition to the use of the closed formulary for claims with a date of injury on or**
7 **after February 1, 2014 and before November 1, 2014**

8 (a) **Applicability.** This Section applies to claims with a date of injury on or after February 1,
9 2014 and before November 1, 2014, which for purposes of this Section, shall be known as "legacy
10 claims", which are subject to 810:3-5-5 (relating to requirements for use of the closed formulary) and
11 810:3-5-6 (relating to Medical Interlocutory Order) on and after November 1, 2016.

12 (b) **Transition of legacy claims.**

13 (1) At any time after November 1, 2014 and before November 1, 2016:

14 (A) The prescribing doctor should include a statement of medical necessity as
15 defined in 810:3-1-2 with the prescription for drugs excluded from the closed
16 formulary.

17 (B) The prescribing doctor or the insurance carrier may contact each other for a
18 discussion of ongoing pharmacological management of the injured employee's claim.

19 (C) When a prescribing doctor or insurance carrier is contacted by the other party
20 regarding ongoing pharmacological management, the parties must provide each other
21 a name, telephone number, and date and time to discuss ongoing pharmacological
22 management of the injured employee's claim.

23 (2) Beginning no later than May 1, 2016, the insurance carrier shall:

24 (A) identify all legacy claims that have been prescribed a drug excluded from the
25 closed formulary after November 1, 2015; and

26 (B) provide written notification to the injured employee, prescribing doctor, and
27 pharmacy if known, that contains the following:

28 (i) the notice of the impending date and applicability of the closed
29 formulary for legacy claims; and

30 (ii) the information required in Paragraph (1)(C) of this Subsection.

31 (c) **Agreement.** To ensure continuity of care, notwithstanding Subsection (a) of this Section,
32 an insurance carrier and a prescribing doctor may enter into an agreement regarding the application
33 of the pharmacy closed formulary for individual legacy claims on a claim-by-claim basis.

34 (d) **Agreement requirements.**

35 (1) The insurance carrier shall document any agreement and the terms, and share a copy
36 of the agreement with the prescribing doctor and injured employee.

37 (2) Health care provided as a result of the agreement is not subject to retrospective
38 review of medical necessity.

39 (3) Denial of a request for an agreement is not subject to dispute resolution.

40 (4) If no agreement is reached and documented by November 1, 2016 for a legacy claim,
41 the requirements of 810:3-5-5 and 810:3-5-6 shall apply.

1 **810:3-5-4. Closed formulary**

2 The Commission hereby adopts a closed formulary as defined in 810:3-1-2 for workers'
3 compensation claims with a date of injury on and after November 1, 2014.

4 **810:3-5-5. Requirements for use of closed formulary**

5 (a) **Applicability.** The closed formulary adopted pursuant to 810:3-5-4 applies to all drugs that
6 are prescribed and dispensed for outpatient use for claims with a date of injury on or after November
7 1, 2014.

8 (b) **Preauthorization for claims subject to the Commission's closed formulary.**
9 Preauthorization is only required for:

10 (1) drugs identified with a status of "N" in the current edition of the ODG/Appendix A,
11 ODG Workers' Compensation Drug Formulary, and any updates;

12 (2) any compound that contains a drug identified with a status of "N" in the current
13 edition of the ODG/Appendix A, ODG Workers' Compensation Drug Formulary, and any
14 updates;

15 (3) any investigational or experimental drug for which there is early, developing
16 scientific or clinical evidence demonstrating the potential efficacy of the treatment, but which
17 is not yet broadly accepted as the prevailing standard of care; and

18 (4) drugs that are not preferred, exceed or are not addressed by the ODG in effect on the
19 date of treatment.

20 (c) **Preauthorization request.** The preauthorization request must include the prescribing
21 doctor's drug regime plan of care, and the anticipated dosage or range of dosages for the drugs.

22 (d) **Preauthorization of intrathecal drug delivery systems:**

23 (1) An intrathecal drug delivery system requires preauthorization and the
24 preauthorization request must include the prescribing doctor's drug regime plan of care, and
25 the anticipated dosage or range of dosages for the administration of pain medication.

26 (2) Refills of an intrathecal drug delivery system with drugs excluded from the closed
27 formulary, which are billed using Healthcare Common Procedure Coding System (HCPCS)
28 Level II J codes, and submitted on a CMS-1500 or UB-04 billing form, require
29 preauthorization on an annual basis. Preauthorization for these refills is also required
30 whenever:

31 (A) the medications, dosage or range of dosages, or the drug regime proposed by
32 the prescribing doctor differs from the medications, dosage or range of dosages, or
33 drug regime previously preauthorized by that prescribing doctor; or

34 (B) there is a change in prescribing doctor.

35 (e) **Treatment guidelines.** Except as provided by this Subsection, the prescribing of drugs shall
36 be in accordance with 810:3-7-1 relating to treatment guidelines.

37 (1) Prescription and nonprescription drugs included in the Commission's closed
38 formulary may be prescribed and dispensed without preauthorization.

39 (2) Drugs included in the closed formulary that are prescribed and dispensed without
40 preauthorization are subject to retrospective review of medical necessity and reasonableness
41 of health care by the insurance carrier. A prescription for a drug provided as recommended
42 by the ODG is presumed reasonable, and also is presumed to be health care reasonably
43 required. In order for the insurance carrier to deny payment for pharmaceutical services that
44 are recommended by the ODG, the denial must be supported by documentation of medical

evidence that outweighs the presumption of reasonableness. A prescribing doctor who prescribes pharmaceutical services that exceed, are not recommended, or are not addressed by the ODG, is required to provide a statement of medical necessity, upon request, in accordance with Subsection (e) of 810:3-5-1.

(f) **Appeals process for drugs excluded from the closed formulary.**

(1) For situations in which the prescribing doctor determines and documents that a drug excluded from the closed formulary is necessary to treat an injured employee's compensable injury and has prescribed the drug, the prescribing doctor, other requestor, or injured employee must request approval of the drug by requesting preauthorization from the insurance carrier, or pursuant to the preauthorization requirements of a certified workplace medical plan, if the claim is subject to the plan.

(2) If preauthorization is requested by an injured employee or a requestor other than the prescribing doctor, and the injured employee or other requestor requests a statement of medical necessity, the prescribing doctor shall provide a statement of medical necessity as set forth in Subsection (e) of 810:3-5-1 to facilitate the preauthorization submission.

(3) If preauthorization for a drug excluded from the closed formulary is denied, the requestor may request a hearing before an administrative law judge of the Commission by filing a CC-Form-9 as provided in 810:2-5-16.

(4) In the event of an unreasonable risk of a medical emergency, an interlocutory order may be obtained in accordance with 810:3-5-6.

810:3-5-6. Medical Interlocutory Order

(a) The purpose of this Section is to provide a prescribing doctor or pharmacy an ability to obtain a medical interlocutory order (MIO) in instances where preauthorization denials of a previously prescribed and dispensed drug excluded from the closed formulary poses an unreasonable risk of a medical emergency as defined in 810:3-1-2.

(b) An MIO will be issued if the request for an MIO contains the following information:

(1) injured employee name;

(2) date of birth of injured employee;

(3) prescribing doctor's name;

(4) name of drug and dosage;

(5) MIO requestor's name (pharmacy or prescribing doctor);

(6) MIO requestor's contact information;

(7) a statement that a preauthorization request for a previously prescribed and dispensed drug, which is excluded from the closed formulary, has been denied by the insurance carrier;

(8) a statement that the preauthorization denial poses an unreasonable risk of a medical emergency as defined in 810:3-1-2;

(9) a statement that the potential medical emergency has been documented in the preauthorization process;

(10) a statement that the insurance carrier has been notified that a request for an MIO is being submitted to the Commission; and

(11) a signature and the following certification by the MIO requestor for Paragraphs (7) through (11) of this Subsection, "I hereby certify under penalty of perjury that the previously listed conditions have been met."

1 (c) A complete request for an MIO under this Section shall be processed and approved by the
 2 Commission in accordance with this Section. At the discretion of the Commission, an incomplete
 3 request for an MIO under this Section may be considered in accordance with this Section.

4 (d) The request for an MIO may be submitted on the designated Commission form. The form
 5 is available on the Commission's website, <http://www.wcc.ok.gov>. If the Commission form is not
 6 available, the written request must contain the provisions of Subsection (b) of this Section.

7 (e) The MIO requestor shall provide a copy of the MIO request to the insurance carrier,
 8 prescribing doctor, injured employee, and dispensing pharmacy, if known, on the date the request
 9 for MIO is submitted to the Commission.

10 (f) An approved MIO shall be effective retroactively to the date the complete request for an MIO
 11 is received by the Commission.

12 (g) The MIO shall continue in effect until the later of:

13 (1) final adjudication of a medical dispute regarding the medical necessity and
 14 reasonableness of the drug contained in the MIO;

15 (2) expiration of the period for a timely appeal; or

16 (3) agreement of the parties.

17 (h) A party shall comply with an MIO entered in accordance with this Section and the insurance
 18 carrier shall reimburse the pharmacy for prescriptions dispensed in accordance with an MIO.

19 (i) The insurance carrier shall notify the prescribing doctor, injured employee, and the
 20 dispensing pharmacy once reimbursement is no longer required in accordance with Subsection (g)
 21 of this Section.

22 (j) A party may seek to dispute, reverse or modify an MIO issued under this Section by filing
 23 a written request for a hearing before an administrative law judge of the Commission.

14 IME Application and Physician Disclosure forms may be obtained from the Commission at
15 the address set forth in this Paragraph, or from the Commission's website at
16 <http://www.wcc.ok.gov>;

17 (2) Submit a current curriculum vitae, together with the IME Application and Physician
18 Disclosure forms, to the address set forth in the preceding Paragraph; and

19 (3) Verify that the physician, if appointed, will:

20 (A) provide independent, impartial and objective medical findings in all cases that
21 come before the physician;

22 (B) decline a request to serve as an independent medical examiner only for good
23 cause shown;

24 (C) conduct an examination, if necessary, within forty-five (45) calendar days
25 from the date of the order appointing the examiner, unless otherwise approved by the
26 Commission, when necessary to render findings on the questions and issues
27 submitted;

28 (D) prepare a written report in accordance with Commission rules which
29 addresses the issues set out in the order of appointment;

30 (E) submit the report to the parties and the Commission within fourteen (14)
31 calendar days of a required examination of the claimant and/or completion of
32 necessary tests, or within fourteen (14) calendar days after receipt of necessary
33 records and information if no examination and/or tests are required;

34 (F) accept as payment in full for services rendered as an independent medical
35 examiner the fees established pursuant to 810:3-9-5;

36 (G) submit to a review pursuant to 810:3-9-3 and 85A O.S., §112(H);

37 (H) submit annually to the Commission written verification of valid health care
38 provider professional liability insurance as and if required in 810:3-9-1;

39 (I) notify the Commission in writing upon any change affecting the physician's
40 qualifications as provided in 810:3-9-1; and

41 (J) comply with all applicable statutes and Commission rules.

42 (c) **Disclosure.** As part of the IME Application, the physician shall identify, on the Physician
43 Disclosure form, any ownership or interest in a health care facility, business or diagnostic center that
44 is not the physician's primary place of business, including any employee leasing arrangement

1 between the physician and any health care facility that is not the physician's primary place of
 2 business. Failure to do so is grounds for the Commission to disqualify the physician from providing
 3 treatment under the AWCA.

4 **810:3-9-3. Revocation**

5 (a) Removal of a physician from the list of qualified independent medical examiners shall be by
 6 request of the independent medical examiner or by the Commission after notice and opportunity for
 7 hearing.

8 (b) The Commission may remove a physician from the list of qualified independent medical
 9 examiners for cause, including, but not limited to the following grounds:

10 (1) a material misrepresentation on the IME Application or Physician Disclosure forms;

11 (2) refusal or substantial failure to notify the Commission of any change affecting the
 12 physician's qualifications as provided in 810:3-9-1; or

13 (3) refusal or substantial failure to comply with this Subchapter, 85A O.S., §112, or other
 14 applicable Commission rules and statutes.

15 (c) Proceedings related to revocation shall be governed by 810:2-5-50 on show cause hearings
 16 and the contested hearings rules set forth in Subchapter 5 of Chapter 2 of this Title.

17 (d) In arriving at a determination regarding whether to remove a physician from the list, the
 18 Commission may consider the character of the alleged violation and all of the attendant
 19 circumstances, and may confer with the Physician Advisory Committee created in 85A O.S., §17,
 20 or other public or private medical consultants.

21 (e) A physician whose qualification to serve as independent medical examiner has been revoked
 22 by the Commission is not eligible to be selected as an independent medical examiner during the
 23 period of revocation.

24 **810:3-9-4. Requests for assignment**

25 (a) Appointment of an independent medical examiner from the Commission's list of independent
 26 medical examiners is governed by this Section. Appointments shall take into account the specialty,
 27 availability and location of the examiner. The independent medical examiner selected shall be
 28 certified by a recognized specialty board in the area or areas appropriate to the condition under
 29 review.

30 (b) Requests for the appointment of an independent medical examiner may be set for a
 31 prehearing conference, at the discretion of the Commission.

32 (c) An independent medical examiner may be appointed on any issue before the Commission,
 33 including to determine if further medical treatment is needed following a full duty release on all body
 34 parts by the treating physician. If surgery is recommended by a treating physician, upon request of
 35 the employer, an independent medical examiner who is qualified to perform the type of surgery
 36 recommended shall be appointed to determine the reasonableness and necessity of the surgery.

37 (d) The parties shall send the employee's medical records to the independent medical examiner
 38 by regular mail within ten (10) calendar days of receipt of the Commission order assigning the
 39 examiner. If necessary, the independent medical examiner may contact persons in whose possession
 40 the records or information is located solely for the purpose of obtaining such records or information.

41 (e) An independent medical examiner's opinion is binding unless there is clear and convincing
 42 evidence to the contrary. Deviations by the Commission from the independent medical examiner's
 43 opinion must be explained.

810:3-9-5. Fees and costs

(a) Fees for services performed by a Commission appointed independent medical examiner shall be paid according to the following schedule:

(1) Diagnostic tests relevant to the questions or issues in dispute shall be paid by the employer or insurance carrier in accordance with the Oklahoma workers' compensation fee schedule; provided, diagnostic tests repeated sooner than six (6) months from the date of the test are not authorized for payment unless agreed to by the parties or ordered by the Commission for good cause shown.

(2) The review of records and information, including any treating physician evaluation and/or medical reports submitted by the parties, the performance of any necessary examinations, and the preparation of a written report as prescribed by Commission rules, shall be billed at the physician's usual and customary rate, not to exceed Three Hundred Dollars (\$300.00) per hour or any portion thereof, not to exceed a maximum reimbursement of One Thousand Six Hundred Dollars (\$1,600.00) per case. The Commission may permit exception to this provision, for good cause shown. Subject to reimbursement if appropriate, these costs shall be billed to, and initially paid by, the respondent.

(3) Reimbursement for medical testimony given in person or by deposition shall be paid by the employer or insurance carrier in accordance with the independent medical examiner's usual and customary charges, not to exceed Four Hundred Dollars (\$400.00) per hour or any portion thereof, plus an allowance of One Hundred Dollars (\$100.00) for 15 minute increments thereafter. Preparation time shall be reimbursed at the examiner's usual and customary charge, not to exceed Four Hundred Dollars (\$400.00). A physician may receive not more than Two Hundred Dollars (\$200.00) in advance in order to schedule a deposition. The advance payment shall be applied against amounts owed for testimony fees. A Four Hundred Dollar (\$400.00) charge is allowable whenever a deposition or scheduled testimony is canceled by any party within three working days before the scheduled start of the deposition or scheduled testimony. The party canceling the deposition or scheduled testimony is responsible for the incurred cost.

(4) Amounts owed to the independent medical examiner for services are payable upon submission of the examiner's written report.

(5) The independent medical examiner may charge and receive up to Two Hundred Dollars (\$200.00), to be paid initially by the employer or insurance carrier in the event the employee fails to appear for any scheduled examination, or if the examination is canceled by the employee or the respondent within forty-eight (48) hours of the scheduled time. The employer or insurance carrier shall be reimbursed by the employee if the failure to appear or the cancellation by the employee was without good cause. The independent medical examiner may not assess a cancellation charge for appointments canceled by the examiner.

(b) Failure to timely pay a Commission appointed independent medical examiner for services rendered pursuant to Commission order may result in the imposition of assessments or sanctions at the discretion of the administrative law judge or Commission, including a fine for contempt as provided in 85A O.S., §73(B). Disputes regarding payment for services rendered by a Commission appointed independent medical examiner that cannot be resolved by the examiner and the parties themselves, may be addressed by filing a request for hearing before an administrative law judge of the Commission as provided in 810:2-5-16, or by mediation, as appropriate.

810:3-9-6. Renewal process

(a) The Commission shall notify the independent medical examiner of the end of the examiner's two-year qualification period at least sixty (60) calendar days before the expiration of that period and shall apprise the examiner how to access the IME Application and Physician Disclosure forms for reapplication as an independent medical examiner.

(b) Criteria for reapplication shall be governed by 810:3-9-1 and 810:3-9-2. If a curriculum vitae (CV) was previously submitted with a request for independent medical examiner status, the physician does not have to resubmit the physician's CV, unless there have been material changes that would have bearing upon the applicant's qualifications.

810:3-11-2. Application and appointment process

(a) **Appointment.** Appointment of applicants to the list of qualified independent medical case managers, and maintenance and periodic validation of such list shall be by the Commission. Medical case manager appointments to the list shall be for a two year period.

810:3-11-3. Revocation

(a) Removal of a case manager from the list of qualified independent medical case managers shall be at the request of the case manager, or by the Commission after notice and opportunity for hearing.

(b) Grounds for removal include, but are not limited to:

(1) a material misrepresentation on the MCM Application for appointment to the list of qualified independent medical case managers;

1 (2) refusal or substantial failure to notify the Commission of any change affecting the
2 case manager's qualifications as provided by statute or 810:3-11-1; or

3 (3) refusal or substantial failure to comply with this Subchapter, or other applicable
4 Commission rules, statutes or orders in the specific case assigned.

5 (c) Proceedings related to revocation shall be governed by 810:2-5-50 on show cause hearings
6 and the contested hearings rules set forth in Subchapter 5 of Chapter 2 of this Title.

7 (d) In arriving at a determination regarding whether to remove a case manager from the list, the
8 Commission may consider the character of the alleged violation and all of the attendant
9 circumstances, and may confer with the Physician Advisory Committee created in 85A O.S., §17,
10 or other public or private medical or case management consultants.

11 (e) A case manager whose qualification to serve as an independent medical case manager has
12 been revoked by the Commission is not eligible to be selected as an independent medical case
13 manager during the period of revocation.

14 **810:3-11-4. Requests for assignment**

15 (a) For cases not covered by a certified workplace medical plan, and where the employer,
16 insurance company, or own risk employer does not provide case management, the Commission may
17 grant case management on the request of any party or when the Commission determines that case
18 management is appropriate. Nothing in this Section shall limit the Commission's ability to appoint
19 a case manager by agreement of the parties, or as otherwise allowed by law.

20 (b) If the parties to a dispute cannot agree on an independent medical case manager of their own
21 choosing, the Commission may appoint one from the list of qualified independent medical case
22 managers maintained by the Commission.

23 (c) In order to be eligible for appointment in any given case, a qualified medical case manager:

24 (1) shall not have a financial interest in the claimant's award; and

25 (2) shall not have any financial interest in the employer's or insurer's business, nor
26 regularly contract with or serve as a case manager for the employer, insurer, or employer's
27 own risk group, or a certified workplace medical plan with which the employer or employer's
28 own risk group contracts.

29 (d) The parties are encouraged to request the appointment of an independent medical case
30 manager at a prehearing conference.

31 (e) Requests for the appointment of an independent medical case manager may be set for a
32 prehearing conference, at the discretion of the Commission.

33 (f) Upon appointment, the parties shall send information and all medical records to the
34 independent medical case manager, by regular mail, within ten (10) calendar days of receipt of the
35 Commission order assigning the case manager.

36 (g) If a party makes a good faith effort to get medical records (including diagnostic films) and
37 the records are unobtainable, then a letter to this effect shall be sent to the case manager with copies
38 to all other parties and the Commission, together with information as to the known location of any
39 such records or information not in either the attorney's or client's possession. If necessary, the case
40 manager may contact persons in whose possession the records or information is located solely for
41 the purpose of obtaining such records or information.

42 (h) The respondent shall pay all reasonable and customary charges of a medical case manager
43 appointed by the Commission. Failure to timely pay a Commission appointed independent medical
44 case manager for services rendered pursuant to Commission order may result in the imposition of

1 assessments and sanctions by the administrative law judge or Commission, including a fine for
 2 contempt as provided in 85A O.S., §73(B). Disputes regarding payment for services rendered by a
 3 Commission appointed independent medical case manager that cannot be resolved by the case
 4 manager and the parties themselves, may be addressed by filing a request for hearing before an
 5 administrative law judge of the Commission as provided in 810:2-5-16, or by mediation, as
 6 appropriate.

7 **810:3-11-5. Renewal process**

8 (a) The Commission shall notify the independent medical case manager of the end of the case
 9 manager's two-year qualification period at least sixty (60) calendar days before the expiration of that
 10 period and shall apprise the case manager how to access the MCM Application form for
 11 reapplication as an independent medical case manager.

12 (b) Criteria for reapplication shall be governed by 810:3-11-1 and 810:3-11-2. If a resume has
 13 been previously submitted to the Court with a request for independent medical case manager status,
 14 the case manager does not have to resubmit the case manager's resume, unless there have been
 15 material changes that would have bearing upon the applicant's qualifications.

16 **CHAPTER 3 - Medical Services**

17 **Subchapter 13 - Change of Treating Physician**

18 Section 810:3-13-1 Scope

19 Section 810:3-13-2 Change of physician; no certified workplace medical plan

20 **810:3-13-1. Scope**

21 (a) This Subchapter applies to requests to the Commission for a change of treating physician
 22 made by a claimant who is not subject to a certified workplace medical plan. These requests are
 23 authorized in 85A O.S., §56(B).

24 (b) Requests for a change of treating physician sought by an injured employee of an employer
 25 that previously contracted with a certified workplace medical plan are not subject to this Subchapter.
 26 Such requests must be made by utilizing the plan's dispute resolution process on file with the State
 27 Department of Health.

28 **810:3-13-2. Contested change of physician; no certified workplace medical plan**

29 (a) A claimant seeking a change of treating physician pursuant to 85A O.S., §56(B) for a work-
 30 related injury occurring on and after February 1, 2014, shall file a Commission prescribed
 31 Application for Change of Treating Physician with the Commission. If the Commission, after notice
 32 and opportunity for hearing, determines a change of physician is proper, it shall grant the change of
 33 treating physician. At that time, the employer shall provide the claimant a list of three (3) licensed
 34 physicians from which to select the replacement treating physician. Each physician listed shall be
 35 qualified to treat the affected body part or condition for which a change of physician is sought.

36 (b) Nothing in this Section is intended to preclude the parties from agreeing upon a change of
 37 physician without the necessity of complying with Subsection (a) of this Section, or from utilizing
 38 mediation to resolve a contested application for change of physician.

1 **CHAPTER 3 - Medical Services**

2 **Subchapter 15 - Medical Dispute Resolution**

- 3 Section 810:3-15-1 Definitions
 4 Section 810:3-15-2 Payment of charges
 5 Section 810:3-15-3 Medical dispute resolution of fee disputes
 6 Section 810:3-15-4 Other medical disputes

7 **810:3-15-1. Definitions**

8 In addition to the terms defined in 85A O.S., §2 and 810:3-1-2, the following words and
 9 terms, when used in this Subchapter, shall have the following meaning, unless the context clearly
 10 indicates otherwise:

11 **“Medical dispute resolution” or “MDR”** means a process for resolution of a medical fee
 12 dispute.

13 **“Medical fee dispute”** means a dispute that involves an amount of payment for health or
 14 rehabilitation services, medicines or supplies rendered to an injured employee. “Medical fee
 15 dispute” includes a health care provider dispute of the denial or reduction by the insurance carrier
 16 of a bill for services. “Medical fee dispute” does not include disputes that involve an amount of
 17 payment for health care services rendered to an injured employee by a certified workplace medical
 18 plan or pursuant to a written contract between the insurance carrier and provider as provided in 85A
 19 O.S., §55(B).

20 **810:3-15-2. Payment of charges**

21 As provided in 85A O.S., 50(H), payment for medical care required by the AWCA is due
 22 within forty-five (45) days of receipt by the employer or insurance carrier of a complete and accurate
 23 invoice. The late payment of medical charges, absent good cause, may subject the employer or
 24 insurance carrier to a Commission ordered penalty of up to twenty-five percent (25%) of any amount
 25 due under the Oklahoma workers’ compensation fee schedule that remains unpaid. The Commission
 26 also may assess a civil penalty of up to Five Thousand Dollars (\$5,000.00) per occurrence if the
 27 Commission finds a pattern of an employer or insurance carrier willfully and knowingly delaying
 28 payments for medical care. Any such fines and penalties assessed under the AWCA, upon
 29 collection, shall be deposited to the Workers’ Compensation Fund created in 85A O.S., §28.

30 **810:3-15-3. Medical dispute resolution of fee disputes**

31 (a) **Applicability.** This Section applies to a request to the Commission for a medical fee dispute
 32 resolution (MFDR) pertaining to an injury sustained by an injured employee on and after February
 33 1, 2014. Medical fee dispute resolution requests involving an injury occurring before February 1,
 34 2014 shall be resolved in accordance with the statutes and rules applicable to the Oklahoma
 35 Workers’ Compensation Court of Existing Claims.

36 (b) **Provider Request for MFDR.** Requests by a health care provider for MFDR shall be filed
 37 and processed in the form and manner prescribed in this Section.

38 (1) **MFDR Form 19.** A provider may initiate proceedings to address a medical fee
 39 dispute by filing a Commission prescribed MFDR Form 19 with the Commission. A copy
 40 of the form may be obtained from the Commission at its main offices, or from the
 41 Commission’s website.

1 (2) **Request for hearing.** A provider may request a hearing for determination of the
 2 issues raised on the MFDR Form 19 by filing a request for hearing before an administrative
 3 law judge of the Commission as provided in 810:2-5-16. The provider shall send a copy of
 4 the request for hearing, together with a copy of the MFDR Form 19 and the records and
 5 supporting documentation required in Paragraph (4) of this Subsection, to the insurance
 6 carrier. The insurance carrier shall file a response to the MFDR Form 19 as provided in
 7 Paragraph (5) of this Subsection.

8 (3) **Contents of MFDR Form 19.** The health care provider's MFDR Form 19 shall
 9 include the following information, and such other information as may be required on the
 10 form, and shall be signed by the provider under penalty of perjury:

- 11 (A) the name, address, and contact information of the provider;
- 12 (B) the name of the injured employee;
- 13 (C) the date of injury;
- 14 (D) the date(s) of the service(s) in dispute;
- 15 (E) the place of service;
- 16 (F) the treatment or service code(s) in dispute;
- 17 (G) the amount billed by the health care provider for the treatment(s) or service(s)
 18 in dispute;
- 19 (H) the amount paid by the workers' compensation insurance carrier for the
 20 treatment(s) or service(s) in dispute;
- 21 (I) the disputed amount for each treatment or service in dispute;
- 22 (J) a statement of whether or not there is a final decision regarding
 23 compensability, extent of injury, liability and/or medical necessity for the health care
 24 related to the dispute; and
- 25 (K) a position statement of the disputed issue(s) which includes:
 - 26 (i) the provider's reasoning for why the disputed fees should be paid,
 - 27 (ii) a discussion of how the AWCA, Commission rules, and/or the
 28 Oklahoma workers' compensation fee schedule impacts the disputed fee
 29 issues, including reference to the specific general instruction, ground rule or
 30 other provision of the Oklahoma workers' compensation fee schedule serving
 31 as the basis for the requested reimbursement, and
 - 32 (iii) a discussion of how the submitted documentation supports the
 33 provider's position for each disputed fee issue.

34 (4) **Supplemental records and documentation.** The following records and
 35 documentation applicable to a provider's MFDR Form 19 shall be sent by the provider to the
 36 insurance carrier as provided in Paragraph (2) of this Subsection, but shall not be attached
 37 to the MFDR Form 19 when the form is filed with the Commission:

- 38 (A) a paper copy of all medical bills related to the dispute, as originally submitted
 39 to the insurance carrier;
- 40 (B) a paper copy of each explanation of benefits (EOB) related to the dispute as
 41 originally submitted to the health care provider;
- 42 (C) a copy of all applicable medical records related to the dates of service in the
 43 dispute; and
- 44 (D) any other documentation that the provider deems applicable to the medical
 45 fee dispute.

(5) Respondent response.

(A) The insurance carrier shall respond to the MFDR Form 19 by filing a Commission prescribed MFDR Form 10M within thirty (30) days of the file-stamped date of the CC-Form-9 Request for Hearing filed by the provider. The response shall provide any missing information not provided by the health care provider and known to the respondent. The MFDR Form 10M shall include the following information, and such other information as may be required on the form, and shall be signed by the respondent under penalty of perjury:

(i) the name, address, and contact information of the respondent; and

(ii) a position statement of the disputed issue(s) which includes:

(I) the respondent's reasoning for why the disputed fees should not be paid,

(II) a discussion of how the AWCA, Commission rules, and/or the Oklahoma workers' compensation fee schedule impacts the disputed fee issues, including reference to the specific general instruction, ground rule or other provision of the Oklahoma workers' compensation fee schedule serving as the basis for the respondent's position, and

(III) a discussion of how the submitted documentation supports the respondent's position for each disputed fee issue.

(B) The respondent shall send the MFDR Form 10M, together with the following records and documentation applicable to the respondent's MFDR Form 10M, to the provider. The records and documentation shall not be attached to the MFDR Form 10M when the form is filed with the Commission:

(i) a paper copy of all initial and appeal EOBs related to the dispute, as originally submitted to the health care provider, related to the health care in dispute not submitted by the health care provider, or a statement certifying that the respondent did not receive the health care provider's disputed billing before the MFDR Form 19 dispute request;

(ii) a paper copy of all medical bills related to the dispute, if different from that originally submitted to the insurance carrier for reimbursement; and

(iii) a copy of any pertinent medical records or other documents relevant to the fee dispute not already provided by the health care provider.

(6) Determination of allowable amounts.

(A) **Audits.** Audits of medical bills to determine the amount allowable under the appropriate Oklahoma workers' compensation fee schedule may be offered by each party. Audits prepared by billing review services, medical bill audit services or in-house auditors may be submitted as evidence reflecting the methodology of the application of the fee schedule. The fee schedule sets maximum amounts allowable but does not prohibit a party from asserting a lesser amount should be paid.

(B) **Referral to the Health Services Division.**

(i) The Commission, at its discretion, may refer medical fee disputes which involve conflicting interpretations of the Oklahoma workers' compensation fee schedule and a reduction by the insurance carrier of the provider's bill for health care services determined to be medically necessary

1 and appropriate for the injured employee’s compensable injury, to the
2 Commission’s Health Services Division for a recommendation regarding the
3 maximum reimbursement amount allowed under the fee schedule for the
4 services rendered.

5 (ii) Medical fee disputes involving the denial by an insurance carrier of
6 a bill for services based on denial of compensability of the injured
7 employee’s injury or occupational disease, length of treatment, necessity of
8 treatment, unauthorized physician or other ground, shall not be referred to the
9 Division.

10 (7) **Hearing Dockets.** MFDR Form 19 hearings shall be scheduled initially on an
11 administrative docket to determine the payment status of the disputed medical fee charges.
12 If the charges are not paid before the administrative hearing or the parties are unable to
13 resolve the dispute at the administrative hearing, the dispute shall be set on the assigned
14 administrative law judge’s hearing docket.

15 (8) **Appearances.** Appearances at the administrative docket and before the
16 administrative law judge or Commission are governed by 810:2-1-9.

17 (9) **Mediation.** Nothing in this Subchapter is intended to preclude resolution of medical
18 fee disputes by mediation or agreement of the parties, as appropriate.

19 **810:3-15-4. Other medical disputes**

20 Medical disputes not otherwise addressed by this Subchapter, including, but not limited to,
21 matters of medical necessity or appropriateness, requests by an injured employee for a refund or
22 reimbursement for health care paid by the employee, and requests initiated by the employer or
23 insurance carrier pursuant to 85A O.S., §55 for a determination of the reasonableness of charges for
24 appropriate and necessary medical services and supplies rendered to an injured employee with a

3 is entitled to vocational rehabilitation services pursuant to the AWCA in the following instances:

4 (1) the injured employee is being evaluated for permanent total disability status [85A
5 O.S., §2(35)];

6 (2) the injured employee is eligible for permanent partial disability benefits [85A O.S.,
7 §45(C)(10)];

8 (3) the injured employee is unable to return to the employee's pre-injury or equivalent
9 job due to permanent restrictions as determined by the treating physician [85A O.S.,
10 §45(E)(2)];

11 (4) when ordered by an administrative law judge of the Commission before the injured
12 employee reaches maximum medical improvement, if the treating physician believes that it
13 is likely that the employee's injury will prevent the employee from returning to the
14 employee's former employment [85A O.S., §45(E)(5)]; and

15 (5) as otherwise allowed by law.

16 (b) The employer liable for compensation shall pay for vocational rehabilitation and training
17 when there is a forced change of employment as provided in 85A O.S., §66(E), which, in the
18 Commission's opinion, requires the injured employee to be given special training to qualify the
19 employee for another occupation.

20 (c) Circumstances creating a presumption in favor of ordering vocational rehabilitation services
21 for an eligible injured employee with a work-related injury occurring on or after February 1, 2014
22 are set forth in 85A O.S., §45(E)(3).

23 **810:4-1-4. Contested vocational rehabilitation cases**

24 (a) If vocational rehabilitation services are not voluntarily offered by the employer or the
25 insurance carrier, and accepted by the injured employee entitled to such services, the Commission,
26 upon request or on its own motion, may refer the employee to a vocational rehabilitation evaluator
27 for evaluation of the practicability of, need for, and kind of service or training necessary and
28 appropriate to restore the employee to gainful employment.

29 (b) If, upon receipt of the evaluator's written report, the parties dispute the report or are unable
30 to agree on a vocational rehabilitation plan recommended by the evaluator and commence the
31 vocational rehabilitation services, they may attempt to resolve the dispute through mediation or
32 forego mediation and proceed directly to a contested case hearing before the assigned administrative
33 law judge. The administrative law judge, after notice and affording the parties an opportunity to be
34 heard and offer evidence, may order that the services recommended by the evaluator, or such other
35 vocational rehabilitation services as deemed appropriate by the administrative law judge, be provided
36 at the expense of the employer or insurance carrier.

37 (c) Contested hearings before the administrative law judge shall be conducted as provided in
38 Subchapter 5 of Chapter 2 of this Title.

40 To carry out the vocational rehabilitation provisions of AWCA and this Chapter, the
41 Commission shall hire or contract for a Vocational Rehabilitation Director to oversee the vocational
42 rehabilitation program of the Commission and focus on helping injured workers return to the work

2 be deemed necessary to assist the Vocational Rehabilitation Director.

3 **810:4-1-6. Registry of Private Providers of Vocational Rehabilitation Services**

4 (a) The Commission shall maintain a registry of private providers of vocational rehabilitation
5 services.

24 for a new applicant.

25 **810:5-9-6. Effectiveness of previously authorized permits, security deposits and guaranties**

26 (a) Individual own risk employer permits previously authorized by the Workers' Compensation
27 Court Administrator pursuant to 85 O.S., §351 and in effect on January 31, 2014 shall remain in full
28 force and effect for the duration of the permit term thereafter, unless voluntarily terminated by the
29 own risk employer or revoked by the Commission.

30 (b) All security deposits and parental guaranties posted by an individual own risk employer with
31 the Workers' Compensation Court Administrator pursuant to 85 O. S., §351 before February 1, 2014
32 as a condition for the own risk employer to self fund its workers' compensation obligations, which
33 are maintained by the Court Administrator and in effect on January 31, 2014, shall remain in full
34 force and effect, pursuant to their respective terms, on and after February 1, 2014, notwithstanding
35 assumption by the Commission of the Court Administrator's regulatory responsibilities regarding
36 individual own risk employers beginning February 1, 2014. At that time, the Commission shall be
37 considered the successor entity to the Workers' Compensation Court Administrator in all respects
38 regarding the security deposit and parental guaranty, with full power and authority in its own name
39 to make demand and collect thereon in the same manner and to the same extent as and if the
40 Commission were the Court Administrator. The Commission may require an individual own risk
41 employer to post an adequate replacement security deposit or parental guaranty, or both, made
42 payable to the Commission.

810:5-9-7. Claims administration

An individual own risk employer must use a third-party administrator licensed by the Commission, or an in-house benefits administrator approved by the Commission, to adjust its workers' compensation claims. The in-house benefits administrator must hold a current and unrestricted workers' compensation adjuster license for the State of Oklahoma.

810:5-9-8. Excess insurance

An individual own risk employer must obtain specific excess insurance, from an admitted or surplus lines insurer with an AM Best rating of B+ or better. The self insured retention must be approved by the Commission, and the excess carrier's limits of liability must be statutory. An amount less than statutory limits must be approved in advance by the Commission. Aggregate excess insurance may be required by the Commission if necessary.

810:5-9-9. Additional named insureds

(a) Subsidiaries, subdivisions, and affiliated employers may be included on the individual own risk employer permit as additional named insureds. A schedule listing the additional employers' names, addresses and federal employer identification numbers (FEIN) must be submitted. The additional employers' workers' compensation losses, payroll and employee counts must be aggregated with the primary permit holder and included on the application. A guaranty from the primary permit holder for these additional employers must be submitted in accordance with 810:5-9-10.

(b) A subsidiary may apply for a separate individual own risk employer permit from its parent company if desired, but must meet all qualifications of this Subchapter.

810:5-9-10. Parental guaranty

(a) A parental guaranty, on a form approved by the Commission, must be submitted for any additional named insured included on the permit.

(b) If the individual own risk employer has a parent company that is not included on the permit, and the employer is relying on its parent company's financial statements to apply, then a parental guaranty, on a form approved by the Commission, must be submitted from the parent company for its subsidiary.

810:5-9-11. Governmental entities

(a) Governmental entities may carry their own risk without insurance as provided in 85A O.S. §107. They must apply using the same application form as private employers, and submit the same required documents, with the exception of interim financial statements. Governmental entities will be exempted from posting a security deposit if they make an appropriation into a segregated workers' compensation fund. The amount of the appropriation must be at least the entity's average amount of workers' compensation losses paid during the preceding three (3) years.

(b) Certain public trust employers will be required to post a security deposit in lieu of an appropriation. The Commission will make this determination at the time of application review.

810:5-9-12. Interim monitoring

An individual own risk employer may be placed on quarterly reporting by the Commission for purposes of monitoring its financial condition and workers' compensation loss history.

1 Companies on quarterly reporting shall submit financial statements and loss runs to the Commission
2 within sixty (60) days after the end of each of their fiscal quarters. An adjustment in the individual
3 own risk employer's security deposit may be required after the Commission reviews the quarterly
4 results.

5 **810:5-9-13. Notification of changed status**

6 An individual own risk employer must notify the Commission of any change in its financial
7 condition or ownership in the interim period between applications, such as a net financial loss, which
8 may impact the employer's financial ability to pay its compensation. Failure to notify the
9 Commission in a timely manner may result in revocation of the own risk permit. If there is a change
10 in majority ownership of an individual own risk employer, the own risk privilege granted to the
11 employer shall be at the discretion of the Commission and the new entity shall be required to qualify
12 under this Subchapter.

13 **810:5-9-14. Revocation of permit**

14 (a) The individual own risk employer permit may be revoked by the Commission at any time
15 upon reasonable notice and hearing, for good cause shown, including, but not limited to, failure to
16 comply with the rules of the Commission; failure to pay compensation when due; and financial
17 impairment of the employer which has or will bring the employer below the minimum net worth
18 requirement of 810:5-9-2.

19 (b) The employer is expected to secure its workers' compensation obligations at all times as
20 provided by law, notwithstanding the revocation. Failure to do so may subject the employer to
21 sanctions pursuant to 85A O.S., §40 and enforcement proceedings as provided in Subchapter 7 of
22 this Chapter.

23 **810:5-9-15. Assessments**

24 An individual own risk employer must pay all applicable Multiple Injury Trust Fund
25 assessments (85A O.S., §31) and all Self Insurance Guaranty Fund assessments (85A O.S., §98),
26 when due and timely report payment thereof to the Commission as prescribed by law. Failure to do
27 so is grounds for revocation of the individual own risk employer permit, imposition of fines by the
28 Commission, or both revocation and fines.

29 **810:5-9-16. Medicare reporting**

30 An individual own risk employer shall comply with Section 111 of the Medicare, Medicaid,
31 and SCHIP Extension Act of 2007 (MMSEA), including all MMSEA workers' compensation
32 reporting requirements, to the extent and as provided by Federal law.

33 **810:5-9-17. Designation of service agent**

34 An individual own risk employer must designate a service agent to receive service of notice.
35 The designation must be on a form prescribed by the Commission and filed with the Commission
36 as provided in 810:2-1-11.

810:5-9-18. Former own risk employers; continuing requirements

- (a) A former individual own risk employer remains responsible for:
- (1) Paying all workers' compensation obligations incurred during its period as an approved individual own risk employer;
 - (2) Reporting its workers' compensation losses on an annual basis to the Commission, on a form prescribed by the Commission;
 - (3) Paying Self Insurance Guaranty Fund assessments as provided in 85A O.S., §98; and
 - (4) Maintaining an adequate security deposit with the Commission.
- (b) A former individual own risk employer is not liable for Multiple Injury Trust Fund assessments for periods beyond the last quarter in which it was an active own risk employer.

810:5-9-19. Release of security deposit

- (a) A security deposit posted with the Commission as required by 810:5-9-4 must remain in place, at its existing amount, for two years after an individual own risk employer voluntarily leaves self-insurance. The Commission may review the adequacy or excess of the security deposit in advance of the own risk permit termination date and require modifications to the security deposit amount as necessary.
- (b) A security deposit may be reduced at the Commission's discretion after the two year waiting period upon application by the employer and submission of current financial statements and workers' compensation loss runs.
- (c) A security deposit may be released at the Commission's discretion upon application by the employer and submission of current financial statements and a signed and notarized affidavit, from a duly authorized officer of the employer, affirming that all workers' compensation claims incurred under the own risk permit of the employer have been permanently closed, and the statute of repose for reopening the claims has passed.
- (d) The security deposit shall be released in full by the Commission within a reasonable period following receipt of proof of an assumption agreement or equivalent, from a licensed insurance carrier, whereby the claims liability under the individual own risk employer permit is transferred to and assumed by the insurance company. The assumption agreement or equivalent may be entered into before expiration of the two year waiting period provided in Subsection (a) of this Section.
